

Dear Potential Sponsor,

On July 22-27, 2008, the Lucas County Fair will be celebrating 150 years. In celebration we are planning some very special and exciting events, such as National Recording Artist The Charlie Daniels Band. In addition the fair will provide entertainment, action packed rides, great food, demolition derby, livestock and horse shows that have become tradition. The Lucas County Agricultural Society is a non-profit organization and your financial support is needed to bring an event like this to the community that we serve. We would like to invite you to become a sponsor of this special event. In return we will provide you with a unique opportunity to promote your company or organization to thousands of area residents who will attend the 150th Lucas County Fair. The weeklong event draws more than 50,000 people from northwest Ohio for an educating and entertaining experience. Our fair is a showcase of the yearlong efforts of thousands of 4H and FFA youth, the products and services of hundreds of exhibitors, and the fun and excitement of a professionally run fair. Your company can participate at various levels with attractive benefits for each. Our sponsorship levels and benefits are listed in this brochure.

If you are able to contribute, please complete the form and return it by mail, fax or email and someone will contact you. If you have any questions feel free to contact The Lucas County Agricultural Society at 419-893-2127.

In advance, thank you for your consideration. We are hoping that you see the value of sponsoring this great event and realize that it is an excellent way to give back to your community and gain outstanding benefits for your business along the way.

Sincerely,

150th Celebration Committee
